REACHING OUR COMMUNITY

2017 Snapshot
YMCA OF METROPOLITAN DETROIT

NURTURING POTENTIAL

Reflecting on the impact of the YMCA of Metropolitan Detroit, images of families, youth, seniors, arts, healthy living and renewed dedication to physical fitness come to mind. We share this report with appreciation for your support and efforts to sustain our YMCA and to see it grow.

Throughout 2017, as is always our goal, we responded to the needs in our communities in meaningful ways. We created and implemented new programs, expanded longstanding endeavors, provided families the opportunity to come together, and touched the lives of our neighbors, from infants to seniors. We provided opportunities for disadvantaged kids to learn how to swim, created safe camp environments, ran youth sports programs that taught kids as much about being a responsible, respectful individual as they did about the games that were played. The list goes on. Thousands of lives were touched and improved through programs focusing on mind, body and spirit.

It is not overstating to say none of this could be done without you. Every day, we work in tandem with our neighbors, regardless of age, income, background, or economic situation, to make sure everyone had the opportunity to learn, grow and thrive. We are honored that you saw the importance of partnering with us in our mission.
