INVEST IN OUR FUTURE

The Legacy Golf Classic
Oakland Hills Country Club
Monday, September 15th, 2025
YMCA OF METROPOLITAN DETROIT

Dear Friend,

On behalf of Ford Credit and the DTE Energy Foundation, we are pleased to invite you to join us at one of the sponsorship levels supporting the YMCA of Metropolitan Detroit's 29th Annual YMCA Legacy Golf Classic.

This prestigious event will be on Monday, September 15, 2025, at the world-renowned Oakland Hills Country Club. We are proud that the Y is one of only six organizations privileged to host an event at this legendary venue. The Classic promises an unforgettable experience while raising much-needed funds to help underserved youth and families.

For over 170 years, the YMCA of Metropolitan Detroit has been a cornerstone of the community, empowering children and families to reach their full potential. By partnering with the Y, we can positively impact the lives of Detroit's future leaders and contribute to the success of our neighborhoods and cities.

As presenting sponsors, we understand the importance of supporting this cause and are proud to invite others from the business and philanthropic communities to join us. Your sponsorship will not only provide a premier golf experience but also help the YMCA continue its vital mission across our region.

As a sponsor, you will enjoy a premium gift package, lunch, cocktail dinner reception, and recognition throughout the region via event marketing and post-event acknowledgment at seven YMCA branches. Most importantly, you will have the satisfaction of knowing that your support is empowering Detroit-area youth to excel and thrive for generations to come.

To reserve your spot, simply complete the electronic form. For more information, please contact Susan Walters-Klenke at 313-223-2490 or sklenke@ymcadetroit.org. We look forward to seeing you on the course this September!
